

Shake Holes - movement art

Constitution

To enable the development of contemporary art/dance performance in and around Brynaman, Carmarthenshire and on the Brecon beacons national park.

For the support and artistic development of dance artist Jessica Lerner and collaborative artists, who's work crosses the boundaries between the artistic disciplines of dance and fine art.

- To provide the local area with educational opportunities such as workshops
- To produce public performances both in local theatre venues and outside on the mountain scape.
- To develop audiences and venues for this work in the local area

*A member of the Executive Committee who carries out work/provides services for the organisation other than the normal business of the Committee shall be entitled to charge and be paid their usual professional and labour fees for that work,*

*Provided that*

*a. The Committee has authorised the work and the payment*

*b. The rate of pay is reasonable and comparable to other similar professional fees*

*c. The member of the Committee declared their interest in any discussion of proposed paid work and having so declared will not have a vote on its approval"*
